### ***As a Volunteer, Your Role and Responsibilities in the School Are Unique***

The Bay City Public School Volunteer further enhances the educational opportunities and experiences of the children within the school system. He/she needs to be aware of the need for confidentiality in regard to any school/child related information and recognize that activities will be directed by the classroom teacher and/or Volunteer Coordinator in accordance with all established educational policies and objectives. This program is an integral part of the Bay City Public School District requiring dependability, cooperation and confidentiality on the part of the volunteer.

**USE** good judgment and avoid any compromising situations. Work in a room with other people at all times. Never be left alone with one student out of view of other people. Always keep the door open.

**STRICTLY** follow volunteer guidelines and discipline practices. Physical discipline is absolutely prohibited. Ask the teacher and volunteer coordinating staff for assistance with problematic student behavior.

### ***Take Pride in Being Professional***

**MAINTAIN** a constructive attitude. Don't make negative comments about the school, its personnel, or the students to other volunteers or individuals outside the school.

**BE PROMPT** and consistent in your attendance. Teachers depend on volunteers, and plan their work accordingly. Students depend on volunteers even more

**NOTIFY** your school as soon as possible if you must be late or absent.

**KEEP** an accurate record of your attendance by signing in each day you volunteer.

**ESTABLISH** and maintain good and frequent communication with your classroom teacher.

**NEVER** be under the influence of drugs or alcohol. Do not smoke on school grounds.

**DO NOT** use the Internet inappropriately by going to websites that are not conducive to a professional or educational environment.
