

Dear parents and sixth graders,

Welcome to sixth grade, the first year of middle school. Team 6m is looking forward to meeting you this upcoming school year. We would like to take this opportunity to introduce ourselves:

Deb Mendoza—Science / Social Studies

Nate Walters—English / Language Arts / Social Studies

Rick MacGregor—Math / Social Studies

Sixth grade is an important grade. Along with the academics that must be learned, there is also the social aspect; learning independence, self-motivation, and self-direction. The skills learned in sixth grade should help students during the rest of their academic life.

Some of the supplies you will need this school year are:

Pencils, notebooks, paper

Glue sticks

Colored pencils

Folders

We look forward to meeting each of you this upcoming school year. If you have any questions, please feel free to call us at school (662-4489).

Sincerely,

Team 6M
