

July, 2009

Dear Parents and Students,

We welcome you to Team 7W at Western Middle School for 2008-2009. We hope that you experienced a fruitful summer and are now beginning to think about the upcoming school year.

Our team is comprised of four teachers: Mr. Beamish, science/honors science; Mr. Marotzke, language arts/honors language arts; Mr. Rohde, social studies/honors social studies; and Ms. Miller, math/advanced math; along with your child and other students. On the first scheduled day of school, each student will meet in first period class (as listed on his/her schedule) with one of the above teachers.

If you have any questions and/or concerns, please meet us at Curriculum Night on September 17 at 5:30 p.m. Moreover, feel free to contact us at 662-4489. *However, e-mail contact is the most efficient.* Our individual planning time is from **12:30-1:20 p.m.** In addition, see course assignments, reminders, information, etc., by utilizing the web site—[www.schoolnotes.com](http://www.schoolnotes.com), entering 48611, and clicking on the appropriate teacher's name. This site also allows you to contact us via e-mail.

Supplies required include standard and colored pencils, loose-leaf notebook paper, four (4) two-pocket folders, one (1) three-ring binder and pen (for science), one (1) inch three-ring binder and a set of dividers (for science), and a thesaurus.

The four of us stress courtesy, attendance, and proper behavior, and we look forward to our journey through the 2009-2010 school year!

Yours truly,

D. Beamish
